

PANNELLO INOX DI PROTEZIONE RETRO PIANO COTTURA
PROTECTION STAINLESS STEEL PANEL REAR COOKER HOB

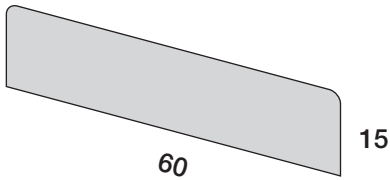

Il pannello in acciaio inox sp. 2 mm funge da protezione per lo schienale dal piano cottura a gas. Viene fissato tramite un apposito biadesivo resistente al calore.

Si raccomanda l'utilizzo su schienali in laminato.

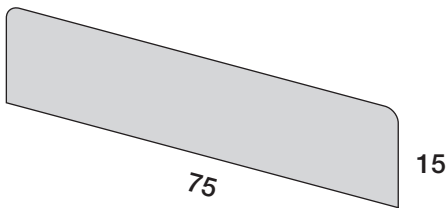

The stainless steel panel th. 2 mm serves as protection of the back panel from the cooker hob. It is applied using a special double-sided adhesive heat-resistant.

It's recommended for use on laminate back panel.
