* ANTA CON PROFILO INCLINATO
(OPZ. P.I + COD. COLORE)

DOOR WITH INCLINED PROFILE

Gole e zoccoli in alluminio verniciato a polvere sono abbinabili alla rispettiva anta laccata nello stesso codice colore. Tuttavia eventuali differenze di tonalità, brillantezza o texture sono dovute a materiali e verniciature differenti e non possono costituire motivo di contestazione.

Powder-coated aluminium finger rails and plinths can be matched with the corresponding lacquered door in the same colour code. However, any differences in shade, gloss level or texture are due to the use of different materials and coating processes and cannot constitute grounds for complaint.
