FINITURE LAMINATO LIQUIDO

WORKTOP LIQUID LAMINATE

CARATTERISTICHE TECNICHE

TECHNICAL CHARACTERISTICS

Piano in legno MDF sp. 25 mm verniciato con laminato liquido semiopaco.
Il laminato liquido è una vernice caratterizzata da una particolare durezza, grazie alla presenza di microsfere di vetro che permettono una maggiore resistenza al graffio e un minore assorbimento dei liquidi.

25 mm thick MDF top coated with semi-matte liquid laminate. Liquid laminate is a particularly hard finish, thanks to the presence of glass microspheres that provide greater scratch resistance and reduced liquid absorption.

LAMINATO (VEDI LISTINO TOP) LAMINATE (SEE WORKTOP PRICE LIST)	FENIX (VEDI LISTINO NEXA) FENIX (SEE PRICE LIST NEXA)	IMPIALLACCIATO (VEDI LISTINO BRERA, FLAVOUR, LUNA) VENEERED (SEE PRICE LIST BRERA, FLAVOUR, LUNA)
